FROM THE PRESIDENT

I was a child, a long, long time ago, adults told me as you get older time goes by faster. I did not believe them. Well they were right! Time is flying by, and this thing called life keeps getting in the way of my fun! MaryAnn and I are trying to put together a fun cruise, before the snow falls! If you have any suggestions or ideas, please contact us.

If you follow the virtual 'Vair website, there are articles and pictures from the CORSA convention. Someday I will attend another convention, if you have never been to one, what an experience! I believe Ron Peles said he was going to attend the convention. Hopefully he will bring back some photos and some good stories to our next meeting!

At our last meeting we voted on hosting a cruise, this can be a lot of fun! It is not as much work as a show, a little more relaxed, and we should have minimal expenses if any! Hopefully we can even make a few dollars for the treasury!

I would like to thank Rod and Debbie for the great job on the newsletter!

I hope everyone is enjoying their summer! See you at the next meeting!

Douglas M. Hulsizer and Member of the Year Awards reinstituted!

After several years of disuse, the Douglas M. Hulsizer award has been located! This award is presented to the club member who participates in the most club and local events, sharing the joy of driving a Corvair. Points are presented as follows:

Attendance at a Club Meeting = 1 point

Attendance at a Club-sanctioned event = 1 point

Driving your 'Vair to the meeting or event = 1 point

Each person who rides to the event in a 'Vair = 1 point

Points are noted at the club meetings and a running total kept. So show up and show off your "Corvair baby!"

In addition to the Hulsizer award, the Member of the Year award is also being reinstituted. This award goes to the club member who participates in the most events and shows in their Corvair.... The winner receives free club membership for one year!
