CORSA Chapter 148

Volume No. 38, Issue No. 5

Greetings Everyone,

Well, looks like Spring is finally here and the weather is warm enough to work outside on the cars. Hopefully, everyone's cars started up OK and are on the road. When I picked up my 66 Monza from the Nasman barn a couple weeks ago, It had a flat front tire and smelled terribly of mouse excrement. I proceeded to remove a shop vac full of nests and droppings from the area under the back window behind the cardboard up into the B pillars. I suspect there are more elsewhere in the car. That was my first project of the season.

A reminder about the tech session at my house Saturday May 4th. My apologies to those who didn't get the email about the postponing of its original date. We will be replacing the clutch on my 66. I have room for 1 other car in my driveway if someone else has a small project. I'd love to have more, but my space is small. Also, a reminder that the MCC tech session has been cancelled on May 11th. Hopefully we can reschedule that one.

I had the pleasure of meeting our newest member, John Strawway a couple weeks ago. John has a beautiful turquoise 62 700 wagon. I had the pleasure of driving it! In addition to the Corvair wagon, John and his partner have an impressive collection of antique and classic cars including Franklins, a Pierce Arrow, Cadillacs and Volkswagens. I hope the rest of the club gets the opportunity to see his beautiful cars.

I'd also like to ask all ACORNs to Keep Tom Zimmermann in our thoughts and prayers as he recovers from his surgery to remove a tumor from his neck.

All for now, *Paul*

Did You Know:

Chevrolet dealers were dismayed by the initial selling price of the Corvair, which could climb to \$2500 with Powerglide, heater and radio , only \$200 less than a full-size Biscayne.

Fathers Day Car Show at Sonnenberg Gardens, Canandaigua, NY – June 16
We'll be meeting at the Tops Market on NY 332 just north on the Canandaigua city line.
Dave Shoemaker will let us know the time. Also please RSVP to Dave if you plan on attending. If we have enough members present perhaps we could have a club meeting.

An entry form is attached under separate PDF in this email.

Dave Shoemaker asks that all those planning on attending/participating in the 4th of July parade in Canandaigua, to please contact him either by telephone or email. The organizers would like to have an idea of how many cars to expect.

Skaneateles Lake Cruise, Saturday July 13, 2013.....Please contact Jeff Cark as soon as possible with your RSVP for this event. Seating is EXTREMELY limited (32 people, or 16 couples). Payment in full is due by June 1, the cost is \$43.00 per person, this includes cruise w/lecture, lunch, tax and gratuity. As a reminder, each person is requested to give Jeff 2 choices from the menu below. From that we'll pick the two (2) most popular selections.

Jeff has come up with a brilliant idea. There is no better way to finish off a lunch at the Sherwood Inn than to drive around Skaneateles Lake. But it takes a quasi-local like Jeff to know How to drive around the lake (it is tricky, but it is a spectacular drive). Google Maps says it takes a little over an hour, but it is more like an hour and 20 minutes. If we stop to take pictures (and we will...), figure closer to two hours.
