As I'm typing this, a Mr. Ralph Under is in town debating against (of course) nuclear power at Carnegie Mellon University. Mary thanks to new member Steve Stine for notifying many WFCC members of the debate. Hopefully there are many shiny Vairs in the lot for "our hero" to glare at.

WESTERN PENNSYLVANIA CORVAIR CLUB INC.
GENERAL MEETING OCTOBER 22 1980

The minutes for the October meeting were accepted as read. Bill Artzberger made the motion for acceptance and John Sweet seconded it. The treasurer's report was read and accepted.

OLD BUSINESS

We had a discussion concerning our fine new meeting facility at the Good Shepherd Lutheran Church. An annual contribution will be made by the club. Al Friend proposed a \$10 per month guideline. A \$30 contribution was voted on for the remaining months of 1980, and a tentative \$120 contribution will be made for 1981. Bob Mc Cune seconded the motion.

The club president, Dick Breier thanked Wayne Jones for his hard work and dedication in transforming our old WFCC newsletter format into the innovative Vair Street Journal.

Wayne Rockhill brought various styles and sizes of club jackets and it was decided that Wayne would accept orders during the next several meetings. No orders will be taken without a \$5 deposit per jacket. We will decide on the final color scheme and design at an upcoming meeting. Sizes run XXL, XL, L, M, S, and child. Prices are as follows: unlined- \$9.95 lightly lined- \$14.95 heavy lined- \$19.95 See Wayne with your order if you are interested.

We voted on the Christmas party and it was decided that the party would be held at the Verona Carole Club. Price of the meal would be \$6.75 tax and tip included and children half price. The date has been set for Sunday, December 21, and a caterer will be employed.

We were saddened to hear that Ed Pezel Sr. was in the hospital. All members present signed a signature sheet which was enclosed in a get well card, and sent to Ed.

We discussed our upcoming play and dinner

outing at the White Barn Theater which unfortunately has now been cancelled due to a just announced shortened season at the theater.

The club expressed their thanks to Vaun and Charlotte Hamlin for planning such a delightful club outing through the mountains to Frieden's, Pa. Newsletter editor, Al Friend expressed his gratitude to Vaun Hamlin and Dick Breier for their help with the newsletter reporting.

John Sweet volunteered to give a talk and demonstration on Corvaire heater efficiency at the November meeting.

NEW BUSINESS

Bill Artzberger suggested that we appoint a nominating chairman. The club promptly appointed Bill. Bill in turn appointed Dave Fabyomic as a co-chairman, so we now have a two man nominating committee. Anyone interested in running for office, contact Bill or Dave.

Wayne Jones asked that club members start thinking about possible events for next year, and to pass their ideas along to the officers and board.

The 50/50 drawing was won by Dave Harrison- \$17 for Dave and \$17 for the club.

Adjournment was made by Herb Horn and John Graff seconded it.

Herb Horn and John Sweet then gave a very informative demonstration on lubricating late and early rear wheel bearings, as was discussed in the August CORSA Communiques. Bill Artzberger also explained how to rebuild Corvaire flywheels and demonstrated how to test them for soundness.

Everyone certainly appreciated the cases of pop and the sandwich tray brought in by the PREZ and his first lady, along with the delicious desserts donated by some of the ladies of WFCC.

OUR NOV. 22 EVENT TO THE WHITE BARN THEATER IS CANCELLED.

We are sorry to announce that because the White Barn Theater decided to shorten their season this year, our Saturday, Nov. 22 dinner and play event must be cancelled. Many thanks to John Benwin for organizing this very different (for us) event. About ten couples signed up, which was a very good early indication of a good turnout. We should definitely plan a repeat of this or a similar event for next year.

OUR NEXT MEETING NOV. 26 Wed. 8 P.M.
GOOD SHEPHERD CHURCH MONROEVILLE, PA

The new meeting place is absolutely superb, a big improvement over the old meeting place. The parking situation is much better, which is bound to encourage more show fairs on meeting nights. Remember, many of the new members have never seen that little jewel that you keep covered up in your garage. Let's all bring em to the meetings more often now, when the weather is good, of course! The kitchen facilities are beautiful, and the meeting area itself is much larger, and has better ventilation to the delight of us non-smokers.

During this meeting, we will finalize plans for the annual Christmas/Hammkah party, nominate our first candidates for 1981 offices, order club jackets, and best of all: John Sweet will give us a talk and demonstration on the Corvair heater/defroster system. Hey gang, I can't think of a more timely subject for late November in The City of Champions!!! SEE YOU AT THE MEETING.
