

JAN 82

CVAIR 5/1/82

OUR LAST EVENT

A really wonderful WPCC Christmas/Hanukkah party. Be sure to thank Bill & Jean Brill personally for putting together this really nice event. Kreck's was just perfect for this annual winter event, and the roads are all good, right up to the door. The private room was spacious, and was beautifully decorated. Sixty-six members and their families made this the largest turnout ever for this big event.

The food was fantastic and the price was very reasonable. There was a lot of post dinner talk of having the party at the same place next year.

The Prez. was a very good M.C. and Dave Fabyonic kept us in stitches as the gifts were passed out. When Dave called out #10 for the ladies, we all wanted to see who was a #10!!! Sure enough, Jan Fabyonic came up for her gift. I hope that he appreciates you Jan!!! Many of the gifts were funny and even included a copy of unsafe at any speed in a DISPOSABLE B.S. BAG!

The highlight of the whole evening came when the Prez. convinced Dick Breier to take the mike and tell us about their trip through Georgia, when they stopped to pick up a few pecans along the road, and almost ended up making little rocks out of big rocks for the holidays!!! If you missed the party, you might want to get this story from Dick or Carol at the meeting.

Ed & Bonnie Pezel couldn't get to the party because their little girl was sick, so we all signed a placemat and sent it to them in a card to let them know that we were thinking about them.

We collected \$73.06 for Children's Hospital, and concluded the evening by singing around the piano.

Rich & Margaret Panizza did a wonderful job of presenting our contribution to Jack Bogot of KDKA Radio on the following Tuesday. Jack asked Rich to explain the charm of the Corvair, & of course was sorry he did that, as Rich took the cue and ran with it. Margaret, who is an O.B. nurse, gave a nice plug to the club and to Children's Hospital.

JAN. 82

## THIS N THAT

In the Dec. 24, 81 issue of Old Cars Weekly, they ran a very good five page article on the first generation Corvairs.

The article started off with these words: "There are more expensive collector cars. There are larger, more powerful, and more luxurious collector cars. But few cars are as loved by their owners as the sporty Chevrolet Corvair".

And the article concluded with these words: "It growls for the men and purrs for the ladies. That's the beauty of an early CORVAIR."

If you are really into old cars, this weekly newspaper, of your hobby, is a must. Only \$15 per year: Their address is simply, Iola, Wis. 54990.

It was really great to see Hazel Moore at the November meeting. It did everyone a world of good to see her in high spirits, and selling 50/50 raffle tickets again. Raffle ticket sales shot sky high, as would be expected. Hazel, you are always in our thoughts and prayers, and please, always keep that positive attitude.

Cards and notes can be sent to Hazel at home. Their address is on the roster in the Nov. Journal.

## TIGER II WINS 8th PLACE IN THE PUBLIC VOTING AT THE VERY PRESTIGIOUS STATION SQUARE AUTO SHOW.

You might be inclined to say, that's nice, and think no more about it. However, consider the fact that over half of the 30 cars on display would be valued in the six figures area. Even more amazing is the fact that Bill never got an opportunity to stuff the ballot box!!! Thankyou, Bill & Jim Artzberger for building and displaying your impressive Vairs, and thankyou, Herb Horn for arranging the club's entry in this show.

Mr. Francis Foster from the Connecticut Corvair Club attended our Nov. meeting. It is always nice to meet Corvair people from other areas.

## OUR NEXT MEETING, THE ANNUAL MEETING

Hopefully the deep freeze will be letting up by Jan. 26, when we meet at 8 PM for our annual meeting. This is the most important meeting of the year since elections are held, and proposals for changing the by laws are considered. So far, the nominations for the 1982 offices look like this: President - Isadore Krouse.

V. President - Nobody yet.

Treasurer - John Sweet.

Secretary - Wayne Jones.

There is plenty of room left, so if you want to protect yourself, you had better be at the meeting. If you're interested in running for office, give Dave Fabyonic or Bill Artzberger a call.

Traditionally, the officers have named the board of directors after this meeting. If you would like to serve on the board, you might also want to notify one of the above members of the nominating committee.

The officers and board would be very interested in hearing ideas for 1982 events. So start thinking now about what you would like to do next year, if the snow ever melts!!!

Isadore Krouse purchased a cap with the embroidered Corvair logo on it, and he says that it looks real good. Here is the info. from Isadore:

## **Authentic Auto Emblem Caps with Embroidered Logo. In Stock for Immediate Delivery.**

## WHAT A FANTASTIC COOKIE EXCHANGE

I normally don't say anything about the ladie's section of the newsletter, since I am not qualified to have opinions on their subjects. But I'll tell you that I am qualified to say that the cookie exchange was by far the best that Carole has ever participated in!! There wasn't an average cookie in the bunch! They were ALL out of this world. Could I suggest that you consider a cook book as a club project? And if you guys are not passing the newsletter on to the little lady of the house so she can record the recipe, well -- it's your loss.

## NEW MEMBERS

Katherina Morobito, Pgh. 531-3793. Katherina is a 54 yr. young hostess, who drives an original 1960 Monza. She was introduced to WPCC by Bob Holderbaum, and John Sweet is presently rebuilding an engine to keep her 60 Monza on the road. She has also joined CORSA.
