FRIENDSHIP, ENJOYMENT, CHALLENGES, NEW HORIZONS - LET'S GO!

GOOD TIMES IN '98

FEB 98

Dear WPCC Members,

Did you watch the Olympics? Are you enjoying the weather?

Have your dues been paid for 1998? Question-call Bill Brill - 724-837-5082 - Treasurer.

The calender of events, put together by the Board of Directors, should be an interesting year for the club members. Festivals, racing, museums, parades, 1800's towns are all covered so please attend all you can and enjoy our club's atmosphere.

Meetings will take place every other month starting in March 24th. at Hoss's in Murrysville, alternating to King's in Wexford, every other meeting. July 4th. will be the exception when the meeting will be after the parades at our get-together.

Except winter time, I enjoy driving one of my Corvairs and hope you feel the same way. Let's make it a good year!

I'm presently trying to complete some let-tle items remaining on my '65 coupe while patiently waiting for my rebuilt engine to be returned (probably in the next two weeks). Next will be replacing the door glass in my '66 convertible and tune up the engine so we'll be ready for spring.

Until we meet in March - HAVE FUN!!!

Sincerely,
Stephen T. Puskas
