

1. At our June meeting Ivan distributed the fine new roster of members to those present. Everyone else on the mailing list will be receiving a copy soon. The printers made two mistakes that we know of, so please make these corrections immediately, DO NOT PUT THIS OFF TILL LATER!

On the front cover - Dave Fabyonics' phone number should be: 327-7361

On the inside - John Greenwald's phone number should be: 795-5719

Check your own listing for accuracy and completeness and notify John Greenwald for inclusion in the next newsletter. We are missing a lot of phone numbers so help us out. Many thanks to Ivan from all of us, a fine job and many hours of work. *KEN BOICE OAK DALE*

2. A report was given on the June Corvaire Caravan to the Johnstown Flood points of interest. Our hats go off to Chris Smith & Curt Buchanan for the fantastic movies complete with sound track and a plot. Our two photo (and Corvaire) buffs have agreed to a rerun at the August meeting. DO NOT MISS THESE MOVIES!!

3. The club will sponsor a picnic, FREE to all members and immediate family, on Sunday August 10 at 1 PM. The site is the Freeport Recreation Center in Freeport, look for the club banner at the center. We will take a headcount at the meeting. If you plan to attend the picnic but not the meeting, contact Tom Woitas, the chairman as soon as possible. Tom will need to know the number of adults & children in your party. The idea is to have some fun & to get to know each other better. So pack yourself, your family, some sporting equipment and a good appetite into your Vaire and we'll see you there. Any questions should be directed to Tom Woitas, RD# 2 Box 179, Leechburg, Pa. 15656. 295-9125 (I just noticed another correction to the roster- Change Tom's Box # to 179)

4. The Western Pa. chapter of the Vintage Chevrolet Club of America is sponsoring an Antique and Classic Chevrolet show at Beyerl Chevrolet in Monroeville on Saturday Sept. 13. Don't get too excited however, because they have set a limit of 1962 and earlier. Al Friend has had a long discussion with their chairman & president, but has not been successful in getting the 1962 restriction lifted. Al will have application forms at the August & Sept. meetings.

5. The club has a good supply of our gold jackets, club patches, and "I LOVE MY CORVAIRE" bumper stickers. These can be purchased by contacting Ivan Clever at meetings or at home. Jackets - \$7.50 Patches - \$2 Bumper Stickers - 50¢

6. We are going to start a technical question and answer column in our newsletter. So if you have a problem with that Corvaire of yours and can't find an answer or maybe you have found an answer to someone else's question, please let us know. We will have a session at the monthly meetings but if you are unable to attend, drop us a line. Send inquiries to : John Greenwald, 415 Crestview Dr. Pgh. Pa. 15239.

7. We are also going to have a portion of the newsletter for classified ads. If you are in the market for something or have something to sell, again, let us know. Send inquiries to John Greenwald at the above address.

8. Some views from your Vice President:

The wife and I "rear motored" it over to the Kaiser-Frazer national convention in Monroeville. We saw some interesting and rare cars including several Darrin sports cars. It might be sour grapes, and their cars are older, but their best entries do not come up even to our mediocre entries at the Corsa national conventions.

Received a flyer from Clark's Corvair Parts on a new pre-wax cleaner and conditioner for your paint called "The Treatment". I have not tried it, I'm just passing the info. on to you. They claim that it does more for your paint than Armorall does for your upholstery. If this claim is valid, I'm hooked. Write to: Clark's Corvair Parts, Shelburne Falls, Mass. 01370. It is expensive \$7.

Word has it that Curt Buchanon, on a recent trip to New England, adopted a 1960 four door in near mint condition. See you at the Vintage Chevrolet Show Curt.

How about some sincere slaps on the back and words of thanks to our editor, John Greenwald; and our printer & mailer Ken Boice at the meeting and picnic. Keep Ken informed as to address changes and new members.
