Presidents Report

I would like to thank everyone that attended my birthday party, and our Christmas party on December 2nd. If you were not able to make it, you did not see Mike Miller win \$68.50 in the 50/50 or Ralph Walling win 3 shirts. The food and service was excellent, the location and size of the room worked well also. I sent Nino a card thanking him and his staff and told him we would be back next year.

January meeting we will be looking for some new officers to nominate for our elections in February. If you would like to sit at the table that faces the other way, and like to get board at our board meetings or have an interest in running the club, show up in January and throw your hat in for the board elections.

Program for January will be a test of knowledge or "what part is this". If you have something that you are not sure where it fits or what year it is, bring it to the meeting and test the experts. We may all learn something this evening and have some fun too.

The calendars are in and it will soon be time to put them up and think about warm weather and the homecoming on August 20-23. See John A. at the meeting so you can enjoy this great piece of art in your own home or office. For you Flint people, I have 10 that I can sell if you can't make it to one of the meetings.

Have a merry Christmas and a happy New Year.

Pete C.

Election Time Again

Elections are once again coming upon us in February. This is your chance to join the board and help direct the club for the next year. Nominations will be accepted at the January meeting for the following positions: Vice President, Secretary, Treasurer, Membership, Parts and Service, Newsletter Editor, and Activities. All positions are for one year with the exception of Vice President who will rise to the position of President for the following year.

If you would like to run for one of these offices, please show up to the January meeting or contact one of the board members before the January board meeting and let them know which position you would like to run for. The elections will be held at the February meeting and the board meeting in February will include old and new board members to familiarize the new members with the operations of the club. The new board members will take over at the March meeting.

So run for an office and join the fun of sitting at the table that faces the other way.

Detroit Area Corvair Club

Dear Corvair Owners:

Thank you very much for the generous donation of toys you made to the Fraser Area Interfraternal party for mentally and physically handicapped children. This year we had over 220 children so you can be assured the toys were put to good use. We have two parties that day, one started at noon and the other at 3:30. I have a video tape of the second party and once I obtain adequate copies I will be forwarding a copy to Mr. Zelenak for your enjoyment.

Again, many thanks and may God bless each and every one associated with your club!

Sincerely,

Larry Kubiak
Chair
